

AGC
NEBRASKA BUILDING CHAPTER
THE CONSTRUCTION ASSOCIATION

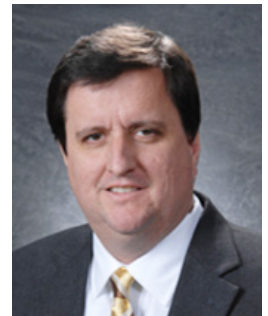

CONSTRUCTION INDUSTRY— 2021 ECONOMIC OUTLOOK

DATE: Wednesday, January 27, 2021
TIME: 7:45am – 9:00am
LOCATION: Virtual—REGISTRATION REQUIRED

Program: **Construction Spending, Labor and Materials Outlook**—Ken will bring his unique national perspective of the economy relating to the Construction Industry.
Presenter: **Ken Simonson**, Chief Economist, AGC of America, Arlington, VA. Ken has over 45 years of experience analyzing, advocating and communicating about economic and tax issues. He has been providing insight into what is happening to the economy and what it implies for construction and related industries for AGC members since 2001.

Program: **Nebraska Economic Outlook**—Eric will provide the statewide economic perspective as it relates to development, construction and renovation in vertical construction and related industries. He will also address the impact of the pandemic to the Nebraska economy and how it may or may not affect the construction industry locally. **Presenter:** **Dr. Eric Thompson**, W.W. Marshall Associate Professor of Economics and the Director of the Bureau of Business Research at the University of Nebraska-Lincoln. Eric's research examines the sources and consequences of state and local economic growth and the economics of infrastructure.

Cost for meeting: **\$15 per person** includes a Starbucks coffee coupon, meeting materials and recording. Payment prior to the event is required. **You MUST register by 2:00pm on Tuesday, January 26, 2021.** After we receive your registration, you will receive an email which will allow you to pay with a credit card.
